

Le Mans 24-Hour in genes

Madam, Sir,

Manufacturer and model's fame are tightly linked to performance in racing. Cars having known glory show today still by emotion they arouse, that history is on movement and that passion which is connected does not have any limit. As if to testify of this living passion, Le Mans Series takes place in the trail of the most famous long-distance race of the world: "Le Mans 24-Hour".

As representing of a brand all over the world known for its prestige and its sportsmanship, you are certainly in the best place to feel in which point sports car and the motor racing's passion are strong for the majority of mechanics lovers.

Le Mans Series, endurance in blood.

What if Le Mans 24-Hour was coming to you? With more than 50 teams landing with their racing cars and their 130 pilots, and a fight between three winners of the race: Pescarolo (1972, 1974 and 1984), Peugeot (1992, 1993) and **Audi (on 2000 to 2002 and 2004 to 2007) who has just joined us on the starting grid.**

Launched in 2004, Le Mans Series puts the high beam on 1000 km races rounding up GT and Prototypes distributed in 4 trays: "LM P1", "LM P2", "LM GT1" and "LM GT2". Under the rule of the Automobile Club de l'Ouest, Le Mans Series account 5 events (the 6th will be announced later in the season) on some of the most beautiful circuits like Catalunya (Barcelona), Monza, Spa, the Nürburgring and Silverstone. And if victory is beautiful, one of the main assets of LMS is to automatically qualify for the Le Mans 24-Hour's grid the first two competitors for each category!

With an amazing and friendly atmosphere, Le Mans Series is like a revival! Meets the pilots and teams, visit the grid before the race and survey the stands with certainly one of richest and inciting grids in the world. With professionalism and a sport's stake in the summit, Le Mans Series gathers all the ingredients which allow him to advance still and always.

When the passion gets involved in it

To make discover or rediscover this universe to your co-workers, customers and prospects, Le Mans Series organizer- who are also in charge of Le Mans Classic -decided to set up package reserved for the prestige's car dealers of marks. Discovery laps, lodge, private car park, catering... a whole service has been conceived to make you share the unique atmosphere of the Series. This offer will allow you to follow Le Mans Series naturally, but also races of support such as "Classic Endurance Racing", who makes relive old race cars from 1966 till 1979, the "THP spider cup" and the "World Series by Renault".
